······ A JUNE ROSE.

The summer girl this year will be more beautiful than ever in hat and boa to match or contrast. This picturesque hat, a flaring poke of pink straw, is faced with pink chiffon and has a soft drapery of the same resting against the hair. The entire edge of the rim is covered with pink roses. The neck piece accompanies this poem in hats sets off its glowing tints admirably. It is black lace edged with accordeon pleated black chiffon.

Joseph Scowcroft left Wednesday for New York, to be absent several weeks. similar societies have since sprung up Guy Cahoon of Ogden has gone to the coast on an extended pleasure trip. number of occupations are represented dressmakers, eight stenographers, four CLUB CHAT. milliners, one lawyer, and three phy-

the progress accomplished last year.

The Spirit of Liberty chapter, Daughters of the American Revolution, met yesterday with Miss Murphy at the Collegiate institute, and elected of-ficers for the ensuing year. The pro-

mell, was named to communicate with

men, was handed to communicate with eastern firms to get plans, prices, etc. Mrs. C. E. Allen was elected regent of the chapter, Mrs. W. W. Chisholm, vice regent; Miss Murphy, secretary; Miss Catherine Lowe, register; Dr. Belle Anderson Gemmell, treasurer.

About 200 delegates took part in the annual meeting in Brooklyn of the General Society of the Daughters of the Revolution. Notwithstanding the in-clement weather, the program was suc-

cessfullly carried through, and the oc-casion full of interest from start to The president general,

Adaline W. Sterling, presided at the two business meetings. The society's work in behalf of the Valley Forge en-

terprise has been active, and all the state auxiliaries have contributed appreciable amounts to the fund, Massa-

chusetts leading off with close upon 1,700. That matter being practically

finished, the society has put it in the background, and is addressing itself to new activities. One of the new undertakings proposed is the establishment of a fund for young college women who

need assistance in procuring a college education. From the fund, money to the amount of \$300 wil lbe advanced without interest, and until such times

as it can be repaid. Applicants must be eligible for membership in the so-

ciety to obtain the benefit of this fund.

The Press and Reaper's clubs are making up a set of books for the free traveling library. The Woman's club Following the recent withdrawal of the Middlesex Woman's club of Lowell, Mass., from membership in the General Federation on account of the per capita tax, and the action of the G. F. W. C. will donate the case. The council of Jewish Women met on Monday and elected officers for the coming year, the following being chosen: Mrs. E. Mooney, president: Mrs. H. Ganz, vice president: Mrs. M. Harris, recording secretary; Mrs. Martha G. Waters, corexcluding the Woman's Era club of Boston from membership, is also announced the resignation from the Genreal Society of the large and influen-tial Milwaukee College Endowment as-sociation, Mrs. H. P. Vedder, president, The reason given by the Milwaukee club is solely the expense. The club has been paying \$10 a year for the priviresponding secretary; Mrs. Sig Simon, treasurer; Mrs. S. Samuels, auditor. A feature of the meeting was an address by Miss Rosamond Rodkinson, who is traveling through the United States in the interests of the English translation of the Talmud, Miss Rodkinson spoke lege of membership, the sum which un-der the new per capita tax now in ef-fect raises the dues to \$70 per annum, entertainingly of the work and of its inwhich the club considers excessive and erest to the Jewist people in particuout of proportion to value received by retaining membership. At the annual meeting of the Amherst Woman's club lar, her address being listened to with much interest. The retiring officers of the council gave encouraging reports of last week, it was voted to send to the executive board of the G. F. W. C. a protest against its action at Milwaukee last June in refusing to accept the ac-The "open day" of the Cleofan, which was postponed from last week will take place on Tuesday at the residence

clubs, is the woman so signally honored by being asked to exhibit no less than twenty-fiftye pieces of her pottery at the Paris exposition. For years she has been a progressive spirit in art cir-cles over the country, and during the "big Milwaukee biennial" of the Gen-eral Federation of Women's clubs came into wide notice as local chairman of the art committee. As clubwomen everywhere are enthusiastic over arts and crafts-several clubs have formed departments, by the way-these talks, iliustrated with specimens in crude and finished states, as well as by photo-graphs and stereopticon views, will be

of timely interest. Among clubwomen Miss Myra Lloyd Dock of Harrisburg, Pa., is known as an able apostle of "forestry reserves and village improvement"—two vital phases of work which are commanding the attention of women's clubs every-where. The Illinois Federation of Women's clubs, for instance, like the Massachusetts Federation of Women's Massachusetts Federation of Women's clubs, has an illustrated stereopticon lecture on the planting and care of trees, landscape gardening and suggestions for town and village improvement, which is furnished to clubs throughout the state free of charge.

For five years Miss Dock has lectured, principally in the East, on these important subjects. The three special Mrs. S. S. Frackleton of Milwaukee, important subjects. The three special

of its kind in the United States, but | er on arts and crafts before women's | provement" and "Plant Life," while at | an object of beauty.

Though the work of village improvement and "Plant Life," while at | an object of beauty. topics are: "Forestry, vitage provement" and "Plant Life," while at the request of many women who wish to pursue outdoor work she has prepared a practical lecture on "Farm and Garden Work for Women," an occupation, it may be remarked, which is between the state of the women in American ginning to attract the women in Ameri-ca as it has for some time the women in Europe. These lectures, in order to be more suggestive, are illustrated with stereopticon pictures secured in various parts of the world.

As a preparation for the mose effective presentation of this informative work Miss Dock spent some time abroad and, under most favorable auspices, visited hundreds of parks, playgrounds, public baths and such institutions as tend to make the world healthful as

A short time ago this young woman "lectured" her own city in a manner de-serving of emulation. Under the ausserving of emulation. Under the auspices of the board of trade she addressed a large meeting of men and women, not only scoring them for un-necessary unsightliness but throwing on the screen pictures of disgraceful spots in and around the city which had contracted the "tin can habit," as the speaker called, or had been made a dumping ground for refuse. Miss Dock also showed pictures of the river which borders the town, which is only an oderiferous outlet for sewage, whereas it might be, as are countless streams | Tubes, 75 cents. Z. C. M. I

ment is not so new among clubwomen. cently engaged their activities. Aside from the famous effort of California clubwomen to preserve the big trees in their state, clubwomen in Minnesota, New Hampshire, Pennsylvania and Maine have agitated the question of forest preservation within their respective commonwealths.

Sciatic Rheumatism Cured After Fourteen Years of Suffering,

"I have been afflicted with sciatio rheumatism for fourteen years," says Josh Edgar, of Germantown, Cal. "I was able to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned." Why not use this liniment and get well?

Piles are not only most painful, but also very dangerous, as the inflamed nodules are very apt to take on malignant action and cancer of the rectum is produced. They show cured. TABLER'S BUCKEYE OINTMENT will cure the most obsti-nate cases. Price, 50 cents in bottles.
